

Bellamy Manor Estates Civic League President's Page

Vol 3, No 1, Apr 2021

Dear friends and neighbors,

I hope this newsletter finds you well.

Your neighborhood Civic League is still operating, even though you haven't heard from us in a while. With the onset of social distancing protocols last year, most of our program activities have had to be put on hold. But rest assured, the framework of our organization and the commitment of our volunteers to the betterment of our neighborhood remain the same as ever.

FREE membership for 2021, say what?? The BMECL Board has voted to follow the lead of The Virginia Beach Council of Civic Organizations and waive membership fees for 2021. All members in good standing from last year have been extended for this year. If you weren't a member last year but would like to be this year, go to www.bmecl.org to be added to our membership list for **FREE**.

Our purpose has not changed... "to provide an organized forum for the expression and discussion of matters of community interest and to encourage activities for the betterment of Bellamy Manor Estates and the benefit of its residents on a non-partisan and non-sectarian basis."

Even though we are not meeting face-to-face right now, you can still get involved in activities in your neighborhood. All of our committees are welcoming volunteers. Some committees are currently operational, such as: Flags & Flyers, Yard of the Month, and Welcoming. Other committees need volunteers right now to be renewed, such as: Entrance Signs, Neighborhood Watch, and Traffic Calming. If you are interested in any of these programs, or if you have an idea for a new program, please email me @ President@bmecl.org. Our neighborhood and our Civic League are only as strong as we make them, together!

Until we meet again in person, stay safe!

Heather Brinkerhoff
BMECL President
